Welcome from the President

On behalf of the leadership team of Vision Christian Bible College & Seminary, we want to welcome you into a unique learning experience. Please note as you review this catalog that our courses and degree programs are designed to be practical in nature, academically and biblically sound, local church oriented, and focused on equipping men and women to minister the Word of God with power and excellence for service in the Kingdom of God.

Our mission at Vision Christian Bible College & Seminary is to prepare **REAL** people for **REAL** purpose! Whether you are pursuing a degree track or just an individual course, it is our desire that you gain resources that will benefit you as you walk out God's plan for your life.

More than an academic institution, we believe it is our mandate to train and equip the body of Christ. Our model for ministerial training can be seen throughout the Scriptures, but particularly in the book of Acts and the church at Antioch. Here we see the restoration and transformation of lives, cities, and nations by the power of God. What God did through that first century church serves as a blueprint for what we believe He will do through VCBCS as we faithfully steward our influence.

As you read through this catalog, please know that it is our pleasure to serve you in any way we can. We are honored that you are considering us as we are aware you have many options available to you with respect to your academic and spiritual goals. If at any point you have questions or need clarification, please do not hesitate to reach out to us! May God continue to bless you as you pursue His will for your life.

In Service of our King,

ABOUT VCBCS

VISION

Preparing real people for real purpose.

MISSION

To equip men and women to minister the Word of God with power and excellence.

STUDENT GOALS

To disciple faithful men and women after the pattern of ministry found throughout the book of Acts.

Upon graduation from Vision Christian Bible College & Seminary, the student should:

- Develop a vital Christian experience and mature, Christlike character.
- Possess a comprehensive knowledge of the Bible.
- Have a keen awareness of their responsibility to represent Christ to a lost world.
- Be prepared to serve in some sphere of ministry within the local church.

MODEL FOR MINISTRY

In the Old Testament, the training for ministry was Spirit-led and birthed in the school of the prophets. In the New Testament, our best model for ministry training is seen in the church at Antioch, especially in Acts (11:19-26, 13:1-4, 14:26-28, 15:30-35). Here we see a church alive with Paul and Barnabas and other prophets and teachers, raising up men and women for fruitful ministry. They did so under the authority of the elders who were accountable to those who sent them out. This remains our model for education. VCBCS is more than an academic institution; it is a training center for spirit and power. Our focus is on the restoration and transformation of lives, cities, and nations by the power of God.

HISTORY

VCBCS was established in 1992 by the late Dr. Jan Garber and has operated successfully since, equipping men and women for the work of the ministry. The graduates of VCBCS can be found serving God in the local church, in the marketplace, and in the mission field all around the world according to their specific gifts and calling.

OUR DISTINCTIVES

- We are a Kingdom-centric college, equipping students to seek first and advance God's kingdom on earth as it is in heaven.
- We provide quality educational opportunities at an affordable cost.
- We train and teach students foundationally in the Word of God
- We equip students in the power and demonstration of the Holy Spirit
- We believe all Christians are called to "full-time" ministry to serve wherever they are divinely placed.
- We assist students to be effective witnesses in their unique spheres of influence.
- We offer biblical based programs with an emphasis on dynamic leadership.
- We will work to develop a specific course of study to meet student needs.
- We offer advanced standing to qualified students with equivalent experience.
- We offer bible college and graduate degree programs for ministry students.

OUR BELIEFS

We believe...

- That there is only one God, who has revealed Himself in three persons: The Father, the Son, and the Holy Spirit.
- In the absolute Lordship and deity of Christ including His preexistence, His virgin birth, His sinless life, His atoning death, His bodily resurrection, and His eventual return to the earth in glory and power to establish His eternal kingdom.
- In the inerrancy, authority, reliability, and divine inspiration of the Holy Bible.
- That nothing can replace the importance of the local church in the program of God. Each local church should be under the authority of the Word, the oversight of the Holy Spirit, and should determine its own character and role in obedience to the Word of God.
- That the great tasks of the Church are worldwide evangelism and equipping the saints.
- That entrance into the Church is through the “**new birth**” which is brought about by genuine repentance of sin and confession of faith in Christ as Lord and Savior.
- That membership in the Church is signified by baptism and the joyful participation in its worship, fellowship, sacraments, witness, and acceptance of its discipline.
- That the ministry of the Holy Spirit is an essential component of effective Christian life and witness.
- That the Church cannot fulfill its mission apart from the five ascension gift ministries that Christ has sent into the world: apostles, prophets, evangelists, pastors, and teachers. We accept that it is part of our task to recognize those people and to assist in equipping them to fulfill their ministry.
- That Christ purchased bodily healing for every believer at Calvary and this healing should be appropriated by faith.
- In the reality of Satan and of the kingdom of darkness over which he reigns and of the absolute triumphs of Christ over the devil and all his works.
- In the death, resurrection, and ascension of Christ as witnessed by the scriptures.
- That victorious Christian life is built upon a proper understanding of the Bible and upon the exercise of the spiritual authority imputed to the believer by that gift of righteousness.
- In the resurrection of the dead at Christ's return, in the certainty of God's judgment, and in the inescapable result of the judgment foretold in the scriptures for both the just and the unjust.

AT VCBCS WE ARE...

Conservative in Doctrine: The Word of God is divinely inspired and is our source of doctrine and instruction in righteousness. We teach the Holy Scriptures as the authority for discerning truth. There is no other source for establishing doctrine in the church and in the life of the believer. We teach all students to place this same emphasis on God’s Word. This is the means of securing the foundation of our faith. (**2 Timothy 3:16; Hebrews 4:12; Galatians 1:6-9**).

Charismatic in Practice: We teach that all gifts of the Spirit are needed in the church today as they were in the 1st Century church. Each believer has been given spiritual gifts by the Lord to build up the body of Christ and to reach out and minister to a lost world. We seek to encourage

and activate the gifts within our students (**1 Corinthians 12-14; Romans 12:3-8; Ephesians 4:11-16**).

Loving in Fellowship: We teach that the greatest commandment and the proof of our discipleship is the love we have for each other. All Christians are to keep the unity of the Spirit and grow into the unity of the faith. As Christians, we are to walk in the light and have fellowship with one another. We encourage and expect this fellowship among the students of VCBC&S (**Mark 12:30-31; Ephesians 4:1-6; 1 John 1:7**).

Evangelistic in Emphasis: Every student is required to be born again. We take Jesus' last command to go and make disciples of all nations very serious. We teach and train all our students to be a faithful witness of Jesus Christ. It is our heart to see every student evangelize their sphere of influence and beyond even to the nations. (**Matthew 28:19-20; Mark 16:15-20; Acts 1:8**).

Bold in Faith: We train students to be bold in faith, to do the impossible, to believe in the promises of God, to expect miracles and to do miracles in the name of Jesus. We serve a God who can do the impossible. Those who know their God shall be strong and do exploits (**Daniel 11:32; Luke 1:37; 18:27**).

AUTHORIZATION AND AFFILIATION

VCBCS does not hold regional accreditation, nor do we intend to seek such affiliation. Our intent is to remain an institution devoted to preparing men and women for ecclesiastical vocations.

VCBCS was authorized to operate and to grant degrees by the Florida State Board of Independent Colleges and Universities under section 246.084 (1), State of Florida Statutes.

In 1999 VCBCS became a member of the American Federation of Colleges and Seminaries (AmFed) that was approved by the Florida State Board of Independent Colleges and Universities (SBICU) to grant degrees in 1999. The Federation established a quality educational standard in post-secondary education for evangelical colleges and seminaries that do not seek secular accreditation.

VCBCS currently is a member in good standing, with the full benefits of membership in the International Association of Bible Colleges and Seminaries or IABCS (registered as Southern Accrediting Association of Bible Colleges). IABCS purpose is to furnish, recognize, and verify certain standardized requirements in various fields in which the representative institutions operate in keeping with, and acceptable to, other accredited institutions of higher education.

ACCREDITATION

VCBCS is a member of International Association of Bible Colleges and Seminaries (IABCS) for accountability and accreditation. IABCS is a Non-Governmental Accreditation Institution (NGAI) setting standards for Bible Colleges and Seminaries that do not want to come under secular governmental control and at the same time maintain a genuine degree program for higher education. IABCS is the oldest NGAI in the USA, established in 1954.

We believe that the federal government or any secular institutions are not qualified to dictate the qualifications for instructors or the programs for a spirit-filled ministerial degree. As a Christian University, Vision Christian Bible College & Seminary offers academic programs that are specifically designed to equip students who feel the call of God on their lives and wish to build a ministerial career or to further their Christian education.

Accreditation in the U.S. is a voluntary, non-governmental process that is undertaken by private agencies. Some, but not all, of those agencies have applied for and received approval from the U.S. Department of Education or the Council on Higher Education Accreditation (CHEA), which maintains criteria for such approval. Those agencies that are so approved enable their members to qualify for several billion dollars annually of federal student funds. This creates a “gatekeeper” role for such agencies and a direct relationship between them and federal government. The main reason why many institutions in the U.S. seek accreditation is to gain access to federal student funds, which are not available to schools that do not hold accreditation.

“It should be noted that some institutions have chosen not to participate in the federal student aid program and therefore do not have to be approved by an accrediting agency recognized by the Department. While these institutions do not appear on the Department’s list they may be legitimate schools” - United States Department of Education

Most Bible Colleges and Seminaries choose not to be governed by the USDA and do not seek regional accreditation.

Once the decision is made to become accredited through a Department of Education recognized agency, reversing that choice is not a simple process. The decision to reject government sanctioned accreditation would have an immediate and profound effect on all alumni holding degrees. For the accredited college, the approval of an accrediting agency becomes its ‘life’s blood.’ The college is left to choose between compromising core biblical beliefs to conform to the requirements of the government or face the possibly substantial loss of funds and angry alumni.

Although religious schools may opt to seek accreditation, many regard the separation of church and state as a reason either to remain unaccredited or to seek accreditation from a specifically religious agency with no ties to the government.

We believe training men and women for ministry is best done under the authority of a local church and independent of the constraints of a liberal arts program. Another concern we have held regarding accreditation relates to government intervention. To accept Title IV or other government funding could obligate us to government oversight and vetting of our curriculum, staffing and even beliefs. We recognize that we live in a pluralistic society and with a government which is increasingly antagonistic toward Christian beliefs. There is no doubt in our minds that, where the government given oversight of our operations, their secularly humanistic paradigm would see our curriculum as unsatisfactory to the pluralistic philosophies of today. In addition, there is a concern that accreditation could put the college in a position where a faculty degree would usurp a ministry focused hiring process of evaluating a candidate’s personal ministry and ability to transfer truth as a facilitator of 2 Timothy 2:2. We have seen where accreditation has pressured institutions to hire a required number of professors with particular degrees, rather than hiring them based on a philosophy of local church ministry with a commitment to doctrine and soul winning.

The legal right to grant degrees is independent from the issue of accreditation.

Vision Christian Bible College & Seminary was authorized to operate and to grant degrees by the Florida State Board of Independent Colleges and Universities under section 246.084(1), State of Florida Statutes.

We are committed to education that is legitimately postsecondary and academically rigorous, challenging students to develop critical thinking skills and leading them in the formation of biblically grounded Christian worldview.

Vision Christian Bible College & Seminary is an institution of higher education in which the Bible is central, and the development of Christian life and ministry is essential. We engage the student intentionally in:

1. Biblical higher education - education that involves extensive and serious study of the text of God's eternal Word, not in a posture of detachment and skepticism, but in a posture of discipleship and submission, seeking to understand the will of God so that we may conform to it, and the plan of God so that we may join Him in bringing about its fulfillment. This engagement with Scripture ensures that the formation of a Christian worldview issues not only from sincere devotion to Christ, but also from a comprehensive grasp of biblical teaching and well-honed and growing ability to bring sound theological thinking to bear upon their engagement with a broad spectrum of humanities/fine arts, social/behavioral science and natural/information science disciplines.
2. Transformational higher education – education that calls us to explore the moral and ethical implications of what we are studying. In so doing we: apply what we are learning from God's Word; appropriate and collaborate with the work of God's Holy Spirit in the In the process of developing personal values and virtues worthy of His adopted children; and are formed through deep engagements with a community of fellow Christ-followers. Such transformational higher education is validated not by a life orientation toward self-actualization or self-fulfillment, but rather by a posture of submission and self-denial, leaving out Kingdom values and Gospel priorities before a watching world.
3. Experiential higher education – facilitating hands-on ministry, service-learning and intercultural study opportunities. Such experiences help us to discover and develop our own distinctive God given gifts, passions, and sense of calling as well as to exercise and grow the life, ministry and leadership skills required for passionate and proficient service.
4. Missional higher education. We maintain that an authentically biblical worldview compels all believers - regardless of present or future occupation - to understand their personal vocation within the context of history's destiny: the day when the kingdoms of this world have become the Kingdom of our God and His Christ. Recognizing that in the 21st century Christianity may not enjoy cultural hegemony neither in North America nor abroad, does our education involve acquiring and exercising tools for cultural exegesis and engagement in addition to the tools of biblical exegesis. We seek to encourage and equip graduates to take part according to their unique gifts, passions, and callings in the global cause of proclaiming through word and deed the Gospel of salvation through Jesus Christ alone.

In the United States of America, most of our nation's first colleges and universities, such as: Harvard and Princeton, Columbia, Dartmouth, Rutgers, Vassar, Wellesley, Mt. Holyoke etc. began as Christian colleges and universities offering Christian education. Harvard began in 1636 and was founded for training in the Gospel ministry. Harvard's charter stated that the university was established for the purposes of educating the English and Indian youth in knowledge and Godliness. Harvard's motto was "Christo et Ecclesiae" (For Christ and Church).

PROGRAM ENROLLMENT OPTIONS

At VCBCS we offer two ways in which a student can enroll and take classes. This provides student the opportunity to learn in the environment that best fits their individual needs.

Distance Learning Program (DLP) offers students the option of taking classes online using Moodle, our online Learning Management System (LMS). This provides students with a personal and flexible format that enables them to take courses at their own leisure while working at a pace that fits their own schedule. Every student is assigned a mentor who will be available to guide the student through their course of studies. All our mentors are experienced ministers – they are practitioners who are serving in ministry themselves.

Affiliate Campus Program (ACP) offers student the opportunity to attend classes at an affiliate campus (satellite campus) of VCBCS. This provides students the opportunity for an in-person educational experience within a classroom type setting. Contact admin@vcbcs.org for more information on affiliate campus locations.

STUDENT ENROLLMENT OPTIONS

It is permissible for students to enroll in only 1 term per semester. Every student who is enrolled in the degree programs are encouraged to maintain at least part-time status.

All evaluations for advanced standing and/or transferred credit are to be handled at the national office. Copies of previous transcripts are to be sent to the national office for evaluation. Upon completion of each evaluation, the National Office will notify the local Dean or Registrar of the number of credits accepted for each student. This information will be added to the student's transcript at the time of evaluation.

LIFE EXPERIENCE CREDITS

Life experience credit is granted by the Executive Board of VCBCS (a maximum of 30 hours of undergraduate credit). A student is eligible for consideration of advanced standing based on life experience if the student meets the following criteria:

1. The student applicant is at least 28 years of age.
2. The applicant has at least eight years of leadership experience in the Christian ministry.
3. The applicant has provided a life experience portfolio including a curriculum vitae and letters of recommendation.
4. The applicant has never received equivalent credit for life experience in any other degree program.

PROCEDURE

1. The applicant should request life experience Credit through the administrative office of VCBCS.
2. The completed portfolio with letters of reference and documentation are to be reviewed by the Executive Board.
3. The Executive Board may request further information or documentation and may require an interview with each applicant, usually via telephone.
4. The President or her designate will make the final decision.
5. This decision will be made in adequate time to facilitate registration by the applicant.

6. The applicant must submit the appropriate evaluation fee of \$50 for undergraduate credit.

PORTFOLIO

The portfolio, which is submitted by each student in support of the application for life experience credit should contain at least these four elements:

1. **Curriculum Vitae:** This is a report of “**the current of one’s life**” and “**the course of one’s experience.**” It should be as simple as possible including a list of the year (s) of service or achievements with a brief identification of the areas of experience and responsibility involved. The list may be singular, or plural, one or many, but the items listed should be included:
 - **Personal:** Date of birth, baptism, graduation(s), marriage, ordination, etc.
 - **Education:** Institutions and schools attend-ed as well as awards and degrees granted.
 - **Vocational:** Employment and job responsibilities.
 - **Ecclesiastical:** Formal and informal responsibilities in the church.
 - **Community and Social:** Participation in voluntary organizations.
2. **Description of Ministry Activity:** This section of the portfolio will focus on ministerial experience (whether within or outside the Church) in chronological order. The applicant for Life Experience Credit should provide a description of ministry in the following areas:
 - Conduct of Worship
 - Sermon Preparation
 - Educational Instruction
 - Pastoral Care and Counseling
 - Church Administration
 - Evangelism & Church Development
 - Community Organization & Development

If comparable experience was gained in an alternate setting, it should be included in portfolio.

3. **Analysis of Skills:** The ministerial skills identified are not exhaustive, but they suggest variety and nature of skills, which should be included. The applicant should be able to demonstrate development in these skills and others he/she has developed the understanding how:
 - To develop appropriate worship for diverse worship settings (lifestyles, ethnic constituencies).
 - To identify and illustrate various methods of sermon construction via cassettes, outlines, or notes.
 - To evaluate alternate curricula in Christian education. Individual skills should be identified here, with reference to settings where skills developed, but with major focus on the skills.
 - To utilize a variety of pedagogical methods.
 - To develop pastoral goals with there programmatic components.
 - To identify a variety of leadership styles. Understanding how to assess their efficiency.
 - To isolate particular symptoms of individuals in need of pastoral care.
 - To implement alternate styles in pastoral counseling.
 - To identify and manage conflict situations.

- To train a congregation for community witness.
 - To know one's own strengths and weaknesses.
 - To analyze one's own motivations and skills.
4. **Letters of Reference and Documentation:** Letters from all individuals in supervisory capacities for the Applicant's ministerial experience should be received and submitted. Experience for which no external documentation is provided is not considered for Life Experience Credit. Supporting letters that document the variety of experience gained are required. Letters from supervisors are encouraged when they endorse the applicant's candidacy for credit, document the variety of ministry, which was developed, and further document the ministry exercised in the ministerial experience.
 5. **Cost:** An examination fee for life experience credits is set at \$50. To encourage students to use the examination process, no fee is charged if the examination determines that the applicant is not eligible for life experience credits. However, if the examination process is successful, a fee of \$30.00 per credit hour is charged for the undergraduate program in addition to the \$50 examination fee. Thus, a student receiving no credit is charged nothing, but a student receiving 6 hours of credit is charged \$230. No credit appears on student transcripts until the fee is paid. Students should note that the fee for the examination process is considerably less than tuition costs for the same amount of credit. No scholarships are provided for payment of examination fees.

Summary: Experience is a prerequisite for consideration for Life Experience Credit, but years of experience are not adequate in and of themselves to guarantee credit. Life Experience Credit depends on the ability to analyze one's experiences and to identify learning derived from them. Experience does not warrant credit. Credit is granted for the learning derived from the experience. Moreover, an experience, which was judged, and was a failure, may be a more helpful learning experience. This illustrates the fact that Life Experience Credit is more closely related to learning from the experience than it is to the experience itself.

TRANSCRIPTS

Transfer of credits from Vision Bible College & Seminary to other institutions is at the discretion of the receiving institution. VCBCS will file the necessary transcripts to provide the receiving institution with the most information about the courses sought to be transferred. However, since each school has its own basic curriculum and educational philosophy, credit transfer is strictly up to the receiving institution and is out of the control of Vision Christian Bible College.

The United States Department of Education (USDOE) wrote in its publication on accreditation that: *"Accreditation does not provide automatic acceptance by an institution...acceptance of students or graduates is always the prerogative of the receiving institution...for this reason students...should take additional measures to determine prior to enrollment whether or not their educational goals will be met through attendance at a particular institution. These measures should include inquires to institutions to which transfer might be desired..."*

All degree programs of Vision Christian Bible College & Seminary are intended for religious training in ecclesiastical vocations. VCBCS encourages all students to consider the above USDOE recommendations prior to enrollment.

ACADEMIC POLICIES & PROCEDURES

Vision Christian Bible College and Seminary is a ministry equipping institution that is committed to raising the academic level of the learning environment.

We believe in a strong academic learning environment where the Holy Spirit has the freedom to instruct and operate. This environment cannot be dictated by a natural mind. The Word of God must be the foundation of learning and equipping. The anointing of God (**Holy Spirit**) must be the teacher. We do not place our confidence in our flesh. Our confidence is in the Holy Spirit to teach, guide, and anoint us in ministry.

1 Corinthians 2:14-16 (NKJV)

¹⁴ But the natural man does not receive the things of the Spirit of God, for they are foolishness to him; nor can he know *them*, because they are spiritually discerned. ¹⁵ But he who is spiritual judges all things, yet he himself is *rightly* judged by no one. ¹⁶ For "*who has known the mind of the LORD that he may instruct Him?*" But we have the mind of Christ.

1 John 2:27 (NKJV)

²⁷ But the anointing which you have received from Him abides in you, and you do not need that anyone teach you; but as the same anointing teaches you concerning all things, and is true, and is not a lie, and just as it has taught you, you will abide in Him.

We also recognize the anointing in gifted ministries that are sent from God to prepare us for the work of the ministry. We make use of these ministries for the equipping process.

Ephesians 4:11-16 (MSG)

¹¹ He handed out gifts of apostle, prophet, evangelist, and pastor-teacher ¹² to train Christians in skilled servant work, working within Christ's body, the church, ¹³ until we're all moving rhythmically and easily with each other, efficient and graceful in response to God's Son, fully mature adults, fully developed within and without, fully alive like Christ. ¹⁴ No prolonged infancies among us, please. We'll not tolerate babes in the woods, small children who are an easy mark for impostors. ¹⁵ God wants us to grow up, to know the whole truth and tell it in love—like Christ in everything. We take our lead from Christ, who is the source of everything we do. ¹⁶ He keeps us in step with each other. His very breath and blood flow through us, nourishing us so that we will grow up healthy in God, robust in love.

ORIENTATION

All students will participate in an orientation process upon acceptance to assist them with their transition to the College.

Distance Learning students are assigned an academic mentor upon acceptance to VCBCS, who will provide information on VCBCS, a copy of the VCBCS Student Handbook, and assist them in their transitions and studies at VCBCS.

Affiliate Campus students should refer to their campus for orientation information and requirements. Orientation will provide the student with all the information they need to register for courses and prepare for the semester.

REGISTRATION

Distance Learning students work with their academic mentors regarding course schedules and enrolling into their courses using Moodle.

Affiliate Campus students work with the campus administrator to enroll in courses at their campus location.

ACADEMIC ADVISING

Upon acceptance to VCBCS, students are assigned an academic mentor to assist in their transition to the College and provide guidance in their studies at VCBCS. Students are encouraged to connect and communicate often with their mentors. A strong mentor relationship for Distance Learning students in particular is extremely important. They are a great resource to help you stay engaged in course material and grow deeper in your relationship with God. *While academic mentors will provide guidance in meeting academic requirements for purpose of graduation, students are responsible for making certain they meet all requirements and academic deadlines.*

MOODLE

Moodle is VCBCS' online learning platform. Course materials can be accessed through this platform, and it is also where students will submit their assignments for each course. Instructions for using Moodle is also provided upon acceptance to VCBCS.

ACADEMIC INTEGRITY

While it is always true that Christians reflect their faith by the way they live, it is particularly true of Bible College students. People rightly expect your conduct to be of a very high standard. We are confident that you will strive to bring honor to your Lord, your church, and your college by an example of mature godliness.

In this respect, VCBCS expects the highest level of academic integrity from our students. Academic dishonesty will be taken seriously as it is an offense against a student's Christian character and testimony. Academic dishonesty can include, but is not limited to cheating, plagiarism, copying other students work, falsifying reports, completing assignments for other students, etc.

Students are expected to take responsibility for their own work and to operate themselves according to Scriptural standards. Students are encouraged to report acts of academic dishonesty to their instructor to promote and foster a healthy spiritual atmosphere among the student population.

It is the responsibility of the student to be fully informed of VCBCS' Academic Integrity policy. Lack of knowledge regarding this policy is not enough basis for appealing disciplinary action.

ACADEMIC DISCIPLINE

Academic Warning: a cumulative GPA below a 2.0

A student who is placed on academic warning is highly encouraged to seek out the help and guidance of their academic mentor to work in making needed academic improvements.

Academic Probation: a cumulative GPA below a 1.6, *recorded on student transcript*

A student placed on academic probation is at risk for academic suspension if improvements are not made, and therefore required to meet with their academic mentor

to discuss an academic action plan for academic improvement. This may include repeating courses to improve GPA

Academic Suspension: a cumulative GPA below 1.0, *recorded on student transcript*

A student placed on academic suspension is terminated from the College but is eligible for readmission. Should the student reapply and is accepted back to the College, they will enter on academic probation status for a minimum of one semester until grades for that semester have been completed.

GRADES

In an extenuating circumstance (illness, family emergency, military deployment, etc.) students can request a time extension to complete course assignments/requirements after the course completion deadline. The request should be made in writing to the course instructor no later than the last week of the course. If the extenuating circumstance occurs during the last week of a course, then the request should be made in writing within 7 days after the end of a course. If the request is granted, a temporary grade of "I" will be assigned. The student will have two weeks to complete and turn in all assignments. At the end of this period, the student will receive a grade for any work turned in.

GRADE REPORTS

Grades for each course are posted to each students Schoology account and are only visible to the student and instructor. Grade reports are sent to the Registrar Office upon completion of each course.

GRADE APPEAL

A grade appeal involves a situation in which a student believes an instructor (a) has not followed fair grading practice or (b) has not followed published grading policy. A student who wishes to appeal a final course grade based one on or both of these conditions must follow the following procedure:

Level 1: Appeal to the Instructor

Made in writing to the instructor of the course.

Level 2: Appeal to the Department Dean

Made in writing to the Department Dean.

Level 3: Appeal to the Academic Board of VCBCS

REPLACING A LOW GRADE

A student is permitted to repeat a course for which he/she has received an “F” grade. Both the “F” and the subsequent grade shall stand in the student’s permanent record and be included in calculating the grade point average. A student is not permitted to repeat a course for credit in which he has received a passing grade.

CHANGE OF COURSE SCHEDULE

Students may add or drop a course during the first week of class (with the approval of the Registrar) without academic penalty. Courses dropped without permission after the first two weeks will receive an automatic “WF” grade. The Dean may permit a drop with a “WP” in response to a written petition stating the reason(s) for the request.

DEGREE CHANGES

Any student desiring to change his degree program should discuss the change with the academic dean. A change of degree form should then be requested with the required signatures secured and the form returned to the local campus registration office.

ACADEMIC DEPARTMENTS

DEPARTMENT OF CHRISTIAN COUNSELING

GENERAL INFORMATION

The degrees in the Christian Counseling department are carefully designed to prepare men and women to counsel in a disciplined and skilled way. The Apostle Paul was very sensitive to the needs of hurting individuals when he wrote, "we who are strong must bear the weaknesses and help carry the burdens of those who are weaker."

- **EFFECTIVE** counseling skills are developed to address the very diverse problems people face today.
- **CARING** counselors provide encouragement and guidance for those who are facing loss, decisions, or disappointments.
- **UNIQUE** techniques of the Christian counselor set us apart from the secular as we seek to change behavior, attitudes, and values or perceptions from a Biblical perception.

IMPORTANCE OF CHRISTIAN COUNSELING

It is time, now more than any other time in history, to recapture the dynamic of the first century church while remaining relevant in the twenty first century. The Lord has chosen us to serve Him before the foundation of the world. As you follow the calling of the Lord to counsel those who are lost and hurting, we will serve the dedicated student in the process of developing your skills through discovery, development, and deployment. It is important that the men and women of God be equipped to minister counseling through the Word of God with power and excellence.

DEPARTMENT OF MINISTRY

GENERAL INFORMATION

Our Department of Ministry has many cutting-edge ministry training programs and fields of study to help equip followers of Jesus Christ for the work of the ministry. Thus, "Training Real People for Real Purpose" is not just our motto but also our purpose. Whether you are called to a pulpit or a profession, a congregation, or a career – Vision Christian Bible College & Seminary is here to equip you to make a difference. Most of us think of ministry as the work done by pastors, missionaries, Christian conference speakers, or evangelists. We rarely think of work done by bankers, lawyers, engineers, or homemakers, etc. as the work of the ministry. We believe all arenas of work are to be viewed as our act of worship to the Lord and our mission field.

Whether you are called as an apostle, prophet, evangelist, pastor, teacher, janitor, factory worker, engineer, worship leader, etc., our programs of study are all centered around advancing God's Kingdom in your environment. Operating from a Kingdom perspective means studies are not only focused on the various ministries that labor in the church but also in the marketplace, the community, the prison environment, and in missions. We are prepared to equip you to be culturally relevant without becoming culturally compromised and to influence the world for the Kingdom of God.

TAILORED PROGRAMS

Our ministry program is built around three areas of training.

1. Scriptures – God's Word

All of our studies are based solidly on the Word of God. The student will be equipped in the study of the Bible and in solid biblical doctrine. The Scriptures provide the foundation of study and preparation for ministry. The Scriptures are also important for establishing godly values in our life. We are encouraged in 2 Timothy 2:15 to study hard so we can correctly handle the Word of God.

2 Tim. 3:16-17 (NLT) All Scripture is inspired by God and is useful to teach us what is true and to make us realize what is wrong in our lives. It straightens us out and teaches us to do what is right. [17] It is God's way of preparing us in every way, fully equipped for every good thing God wants us to do.

2. Servant - The servant of God (you)

The student also becomes the focus of study. A minister is a servant. The student will be equipped as a servant of the Lord. Greatness is achieved as we master the concept of learning to be last. The servant learns to follow the Master (Jesus). The servant learns to live a life in a manner that exemplifies Godly character.

1 Tim. 4:16 (Msg) Keep a firm grasp on both your character and your teaching. Don't be diverted. Just keep at it. Both you and those who hear you will experience salvation.

3. Service - to God

The student will be trained in their calling, gifting and service in the Lord. Each believer is wired specifically by the Lord to fulfill God's purpose for their lives. We will help guide you in discerning your "Grace-mix." (i.e. your gifts, passion, purpose, identity, etc.) Paul, an apostle of our Lord Jesus Christ, said;

1 Cor 15:10 NIV But by the grace of God I am what I am, and his grace to me was not without effect. No, I worked harder than all of them – yet not I, but the grace of God that was with me.

And then Paul exhorts us...

1 Cor 15:58 NLT So, my dear brothers and sisters, be strong and immovable. Always work enthusiastically for the Lord, for you know that nothing you do for the Lord is ever useless.

MENTORING

All our Distant Learning students are assigned a mentor that will work with them throughout their program of study. They will be assigned to start with you from the beginning listening to you as you share what you believe God has called you to do. They will assist you in laying out a course of studies that will be tailored to equip you for that call. They will be available by phone, email, text, and video conferencing to guide you through your courses and give insight and wisdom.

FLEXIBLE AND CONVENIENT

You will be able to complete your degree in your own home and at your pace.

SAMPLE DEGREE COMPLETION PLANS

In the Department of Ministry, the course of study is directly related to the end ministry goal of each student. Prospective students are assigned a mentor who will not only help them discover and define their purpose (end ministry goal), but also develop an individualized course of study to prepare them to fulfill it. This is a sample framework of courses for a student who will be working in Youth Ministry.

DEPARTMENT OF THEOLOGICAL & BIBLICAL STUDIES (DTBS)

GENERAL INFORMATION

Our Department of Theology and Biblical Studies is committed to the challenge of training men and women to be effective in their calling and ministry in the spirit of **2 Timothy 2:2**:

2 Timothy 2:2 (NKJV)

And the things that you have heard from me among many witnesses, commit these to faithful men who will be able to teach others also.

We believe it is time for the church to recapture the dynamic of the first century church while being relevant in the twenty-first century. The church must learn to connect with God and minister to a lost and dying world. We recognize that the church is never more than one generation away from extinction. For this reason we are dedicated to empowering the present and future generations to fulfill their God-given destiny.

Jeremiah 29:11 (NKJV)

For I know the thoughts that I think toward you, says the LORD, thoughts of peace and not of evil, to give you a future and a hope.

The Lord has chosen us to serve Him before the foundation of the world. We will serve the dedicated student in the process of **discovery**, **development**, and **deployment** of ministry. We will serve you in discovering your particular ministry and call in the Lord Jesus Christ. We will help you develop that call and ministry and we will encourage you and train you in activating that call to ministry.

You are more than a name or number to us. You are the future! You are called to fulfill God's purpose for your generation. We are dedicated to training tomorrow's leaders, today. We believe the church has a powerful history but an even greater future. You are part of that future.

IMPORTANCE OF BIBLICAL & THEOLOGICAL TRAINING

Hosea 4:6 (MSG)

⁶ My people are ruined because they don't know what's right or true...

As it pertains to biblical and theological training, a common misconception is that learning the Scriptures in a systematic or scholastic manner is merely for those who are currently in some form of spiritual leadership or in the process of becoming. Nothing could be further from the truth. While spiritual leaders surely hold unique and distinctive functions in the body of Christ, there is not a veil over the revelation of God that can only be discovered by a select few. God intended His word to be clear, plain, and understood by all of His people. In the Old Covenant, the imperative for all of Israel was to *"Get Wisdom! Get Understanding! Do not forget, nor turn away from the words of my mouth"* (**Prov. 4:5**). The implication stated is that God's Word was able to be known, understood, and applied by all believers. It was to be the source of wisdom and the antidote for foolishness. Under the New Covenant, the ministry of the Holy Spirit was given to enlighten and illuminate the Scriptures in the heart of every member of the church (**John 16:13-15**). This revealed truth was not intended to be theoretical but functional in the lives of all God's people, through glad submission and loving obedience (**James 1:22**). *Does this necessitate that every Christian attend bible college or seminary?* Of course not! But it also does not insinuate that pastors and missionaries be the only members of the church to do so.

At Vision Christian Bible College & Seminary, we believe it is the responsibility of every believer in Christ to know the truth of the word of God. **THAT MEANS YOU!** Knowing God's word is a privilege and a blessing, not a task or a burden. The faulty and irresponsible approach that many have taken to either deliberately or ignorantly neglect the study of God's truth has proven disastrous. Much of the professing church *"don't know what's right or true"* (see **Hosea 4:6** above) and consequently have experienced ruin in their lives. While this has opened up the door for sin and all of its deceptions to creep into the church, it has also detrimentally affected the church's witness to the world. An illiterate church, held captive by its own ignorance, has no power or influence with a lost, depraved culture. If the church doesn't know what it believes, how can it explain it to those whose eyes have been blinded by the god of this age (**2 Cor. 4:4**)?

Jude 1:3 (NKJV)

³ Beloved, while I was very diligent to write to you concerning our common salvation, I found it necessary to write to you exhorting you to contend earnestly for the faith which was once for all delivered to the saints.

The apostle Jude, under the inspiration of the Holy Spirit, provides unmistakable testimony to substantiate that God's truth, *"the faith,"* was *"once for all delivered to the saints."* His first century appeal was for the defense of the purity and truth of the gospel against all false claims. But central to this plea was the notion that in order to defend the truth, one must first grasp it! This was not written to the apostles and the prophets, or the elders and the deacons, this was written as an exhortation to *"those who are called, sanctified by God the Father, and preserved in Jesus Christ"* (**Jude 1:1**). In other words: to **every** member of the church!

The Department of Theology & Biblical Studies (DOTBS) exists to:

Educate every student in the foundational truth of God's revealed word.

Equip every student with inspired and anointed instruction and sound biblical and supplemental resources.

Empower every student to apply their education to personal experience in order that they may fulfill their God-ordained ministry and calling.

Every course within the DOTBS is carefully designed to remain faithful to this mandate. Students within the DOTBS will be **well-taught, adequately trained, and sufficiently tested** to carry out their specific purpose and assignment within the Kingdom of God. In no way is the scholastic endeavor an end to itself. Conversely, every course and program of study is a bridge to a larger destination—to serve faithfully and excellently in the specific role and function that God has called each student to.

The DOTBS is committed to being part of the solution to the current **Hosea 4:6** crisis. Notwithstanding the learner's personal responsibility, much of the historic problem rested on the failure of leaders who abandoned their post and privilege. At VCBC&S, we are devoted to drafting a different narrative that culminates with a wholly different outcome. Our students will **NOT** experience ruin, but revival! They will be catalysts of change, influencers, and carriers of the fire of God, fully furnished with the foundation of truth.

This strategy is not a trendy-humanistic ploy that is temporal in nature, rather it is divinely conceived, historically applied, and presently relevant. Throughout the Old Testament, the disciplined learning environment were incubators of spiritual growth and success. Moses prepared Joshua. Samuel instituted the school of prophets. Elijah taught Elisha, as well as various other "*sons of the prophets.*" When employed faithfully, God's blessing was perpetuated. When disregarded, the generations suffered amidst God's judgment. From the inception of the church, learning and understanding the apostle's doctrine was essential. Discipleship methods followed the pattern of Christ who taught practically and executed powerfully, truths from above. What ensued was a program that produced strong, courageous, loyal followers who were destined to change the world. Students in the DOTBS will be vested and emboldened to do the same.

Acts 19:6-10 (NKJV)

⁶ And when Paul had laid hands on them, the Holy Spirit came upon them, and they spoke with tongues and prophesied. ⁷ Now the men were about twelve in all. ⁸ And he went into the synagogue and spoke boldly for three months, reasoning and persuading concerning the things of the kingdom of God. ⁹ But when some were hardened and did not believe, but spoke evil of the Way before the multitude, he departed from them and withdrew the disciples, reasoning daily in the school of Tyrannus. ¹⁰ And this continued for two years, so that all who dwelt in Asia heard the word of the Lord Jesus, both Jews and Greeks.

DEGREE PROGRAMS

There are currently two primary areas of study that are offered within the DOTBS: Theology and Biblical Studies. Both areas have degree tracks available in 2-year (*Associates*) and 4-year (*Bachelor*) formats. The degree tracks are developed with the intention of preparing men and women for ministry that is based within the context of the local church and in the marketplace. The aim of the DOTBS is **NOT** to encourage graduates to merely seek out ecclesiastical vocations/positions. Through the vastness and richness of these degree programs, it is desired that the student will utilize the knowledge, wisdom, and revelation gained through the program amid their present vocations and life experiences. While certainly equipping saints for

use within their present and future ministry opportunities in the context of the church, it the hope and expectation that these degrees will enhance believer's effectiveness in sharing and living out their faith in the marketplace as well.
